## *Rescue Solutions*

# FOR ALL YOUR RESCUE AND EQUIPMENT NEEDS

Kootenay Industrial Rescue Ltd. can answer all your rescue training and equipment needs. We offer many course choices and can custom fit any course to your needs. All courses can be taught onsite to keep your cost and disruptions to a minimum or you can enroll in one of our seminars. Our instructors are not just trained to be instructors; they are actively involved with rescue teams. This gives them the practical experience to be able to not only teach you the skills but give you realistic solutions to complex rescue situations.

## ROPE RESCUE LEVEL 1

Prerequisites: None

This three day course will cover the basics of rope rescue and will give you the tools to become a proficient member of a rope rescue team. We will give you solid foundations in rescue rigging and then challenge you with realistic scenarios to bring the entire system into focus. We will cover anchor building, raise and lower systems, belays, pick-offs, stretcher rigging and handling. (We have advanced RR courses and leader courses also)

## POLE/TOWER RESCUE

We offer pole/tower rescue courses for all trades. This course also applies to Derricks in the oil industry. The courses can be tailored for your trade. Our courses produce fast and efficient rescuers.

- Self rescue
- Rescue with a second person
- Bucket evacuation/rescue.

Kootenay Industrial Rescue is on the leading edge for Industry setting techniques for pole/tower rescue.

## ENGINEER/TECHNITION POSITIONING

We can lower and raise your engineers/technicians and workers into tight or exposed difficult access locations. We can supply a fully equipped professional stand by rescue team for situations that go beyond the training level of your in house rescue team.

## SCHEDULE

For our up to date course dates, seminars and locations see our web site:

## EQUIPMENT

Kootenay Industrial Rescue Ltd. Is a dealer for Petzl, Singing Rock. To view our products check out our link page on our web site. Phone for current pricing on all our equipment.
